Warranty Period:

Stealth Comfort EZ Connect Single Zone Mini Split Systems have a standard limited warranty of a 1 year parts and 1 year compressor warranty from the date of purchase. If registered within 90 days of a residential installation, Stealth Comfort systems will be upgraded to an extended warranty consisting of a 2 year parts and 1 year compressor warranty from the date of initial installation for the original registrant. This warranty is nontransferable and only applies to the original registered owner and location. The warranty will be upheld when the unit has a system failure that has been deemed a factory defect by a factory authorized, EPA-certified contractor and the diagnosis is approved by Stealth Comfort. The warranty can either be mailed in to Stealth Comfort directly or can be registered online at <https://Stealth Comfort.com/warranty-registration/>. If registered, all warranties begin on the initial installation date. If unregistered, all warranties begin at the date of manufacturing.

Warranty Period		
Warranty Type	Registered	Unregistered
Parts	2	1
Compressor	1	1

Stipulations/Requirements for Extended Warranty:

- Original owner must register the unit at the above web address.
- Proper installation - Warranty applies only to systems that are installed according to the installation instructions*, and in accordance with all applicable electrical codes and permits.*State certified or licensed HVAC contractor is not required for warranty registration on the EZ Connect units. (Always check your local laws.)
- Warranty only applies to products remaining at their original installation address.
- Defective parts must be returned to the distributor through a registered servicing dealer for credit.
- This warranty is non-transferable and assigned to the original, registered owner named in the Product Registration.
- In the event of compressor failure, a certified HVAC technician must perform diagnostic tests to confirm (customer is responsible for any costs associated with diagnosis or testing). Proof of this diagnosis (ex: invoice) must be available to be sent to Stealth Comfort for verification purposes if requested.

Warranty Resolution Process:

In order for any warranty situation to be resolved, the following process must be followed:

1. AN EPA-certified contractor must diagnose the equipment and provide a diagnosing procedure, part number or part description that is needed, and the model and serial number(s) of the system in question. Stealth Comfort may also request an original installation invoice at its discretion. This information will need to be submitted to Stealth Comfort before a replacement part is sent out.
2. At the discretion of Stealth Comfort, when all documentation is submitted, an Stealth Comfort technician may elect to reach out to the equipment owner and/or the contractor diagnosing the equipment to attempt to resolve the situation without replacement part(s). This is in an attempt to eliminate part lead times and extensive costs to the equipment owner.
3. Once the warranty paperwork is accepted by Stealth Comfort, a representative will reach out to the system's owner and ask for payment information at the discretion Stealth Comfort as a representative reviews the documentation. If requested, this payment method will be used to pay for shipping and for the part(s) diagnosed as needed on the Stealth Comfort system.

4. Once the faulty part(s) are sent to Stealth Comfort, they will be tested to ensure the issue is a result of a factory fault. If the part(s) are deemed faulty, the amount paid for the part will be reimbursed. Round trip shipping and any labor associated with the diagnosing and part(s) replacement process will not be reimbursed. Stealth Comfort maintains the right to refuse reimbursements for any reason except where prohibited, including but not limited to the conditions provided in this document.
5. Replacement part(s) will be shipped to the owner, dealer, or factory-authorized, EPA-certified contractor at the discretion of Infinity Living.

Stealth Comfort Limited Warranty Conditions:

The Stealth Comfort Limit Warranty only applies if the following conditions are met:

1. To obtain the extended warranty periods for residential applications, the product must be registered online or by mailing the completed Warranty Certificate to Stealth Comfort within 90 days of original equipment installation. In jurisdictions where warranty benefits conditioned on registration are prohibited by law, registration is not required and the extended warranty period will be applied if it is for a residential application.
2. If the original installation date is not verifiable, then the Limited Warranty period begins 90 days after the product manufacturing date. This will be determined by the model and serial number of each product.
3. For subsequent owners of the equipment, the length of the Limited Warranty shown in Figure 1 for subsequent owners will be upheld without the need for further product registration.
4. For non-residential applications of the equipment, the length of the Limited Warranty shown in Figure 1 for non-residential applications will be upheld without the need for further product registration.
5. The equipment must be part of an Stealth Comfort-certified system pairing and every system must be operated in complete structures.
6. The installation must be in compliance to your state and local installation codes. Installations must follow all Stealth Comfort installation guidelines as specified in each product's designated Stealth Comfort installation manuals. Failure to follow these guidelines and installation codes may result in any warranty remaining unfulfilled, the installation may fail any potential building inspection that the equipment may be subject to, or improper installation may endanger the equipment or occupants of the dwelling where the equipment is installed.
7. All Stealth Comfort equipment must be operated following the equipment's designated owner's manual and cannot be misused.
8. All Stealth Comfort equipment must have an intact faceplate with its specifications, model number, and serial number still legible. If the equipment is not in this condition, both the standard and extended warranties are void.
9. Upon request, Stealth Comfort reserves the right to request subsequent information such as service and maintenance records of all equipment on the warrantied system, including but not limited to proof of a minimum of a once-a-year maintenance plan.
10. Warranties will only be applicable to products installed at their original installation location and reinstalled equipment will not be covered by any warranty at the discretion of Stealth Comfort.
11. Defective parts must be returned to Stealth Comfort through a servicing dealer or contractor to receive a reimbursement (if applicable).
12. Stealth Comfort electric heater accessories installed in residential applications hold a 5 year limited warranty from their installation date.
13. Stealth Comfort products must be installed in the United States for the Limited Warranty to be upheld.
14. Stealth Comfort is not responsible for any delay or extended lead time for parts for any reason whatsoever.
15. All implied warranties of merchantability and fitness for a particular use or purpose are limited in duration to the period for which the Limited Warranty is specified except in jurisdictions where limitations on implied warranties are prohibited.

Stealth Comfort Warranty Arbitration Clause:

Please review this arbitration clause as it affects your legal rights:

1. Parties: This arbitration clause affects your rights against Stealth Comfort and any of its agents, affiliates, contractors, employees, successors, or technicians.
2. Arbitration Requirement: Except as stated below, any dispute between you and any of us shall be decided by neutral, binding arbitration rather than by court or by jury trial.
3. Class-Arbitration Waiver: Arbitration is handled on an individual basis and if a dispute is arbitrated, you and Stealth Comfort expressly waive any right to participate as a class representative or class member on any class claim you may have against Stealth Comfort or that Infinity Living has against you. You and Stealth Comfort also waive the right to class arbitration or any consolidation of individual arbitration.
4. Small Claims Court Option: You may elect to litigate any dispute and Stealth Comfort in small claims court instead of arbitration if the dispute meets all requirements to be heard in a small claims court.
5. Governing Law: For residents of the United States, the procedures and effect of any arbitration will be governed by the Federal Arbitration Act (9 U.S.C. § 1 et seq.) instead of state law. The law governing your substantive warranty rights and other claims will be the law of the state from which you purchased your unit. Any court having jurisdiction may enter judgment on the

arbitration award.

6. Rules of the Arbitration: If the amount in controversy is less than \$250,000, the arbitration will be decided by a single arbitrator. If the amount in controversy is greater than or equal to \$250,000, the arbitration will be decided by a panel of three arbitrators. The arbitrator(s) will be chosen pursuant to the rules of the administering arbitration organization. United States residents may choose the American Arbitration Association (1633 Broadway, 10th Floor, New York, NY 10019, www.adr.org), JAMS (1920 Main Street, Ste. 300, Irvine, CA 92614, www.jamsadr.com), or, subject to our approval, any other arbitration organization. These organizations' rules can be obtained by contacting the organization or visiting its website. If the chosen arbitration organization's rules conflict with this Arbitration Clause, the provisions of this Arbitration Clause control. The award of the arbitrator(s) shall be final and binding on all parties.
7. Location of the Arbitration Hearing: Unless applicable law provides otherwise, the arbitration hearing for United States residents will be conducted in the federal judicial district in which you reside.
8. Costs of Arbitration: Each party is responsible for its own attorney, expert, and other fees unless the jurisdiction's law requires otherwise.
9. Survival and Enforceability of this Arbitration Clause: This Arbitration Clause shall survive the expiration, termination, or any transfer of the warranty on the equipment provided by Stealth Comfort. If any part of this Arbitration Clause, except waivers of class action rights, is found to be unenforceable for any reason, the remainder of this clause and the Limited Warranty shall remain enforceable. If, in a case in which class-action allegations have been made, the waiver of class-action rights under the Limited Warranty is found to be unenforceable with respect to any part of the dispute, the parts of the dispute as to which the waiver of class-action rights have been found unenforceable will be severed and will proceed in court without reference or application of this Arbitration Clause. Any remaining parts will proceed in arbitration.

This warranty gives you specific legal rights. You may have other rights which vary on jurisdiction.

Stealth Comfort is not liable for any death or injury resulting from improper installation or misuse of its products.

The express warranties made in this Limited Warranty are exclusive and may not be altered, enlarged, or changed by any distributor, dealer, or other person, whatsoever.
